

## **Drs. John and Anita Koeshall**

Dr. John Koeshall began working in campus ministry in the 1960s, pioneering Chi Alpha in the Wisconsin/Northern Michigan district. John met and married Anita, and they continued to minister to university students in Madison, Wisconsin through a Christian book store called the Bread Shop from 1969-1980.

In 1980, the Koeshalls responded to God's call and moved to Munich, Germany to pioneer Students for Christ. In 1991, the Koeshalls relocated to Brussels, Belgium. There as European directors of university ministries, they established a training center, the College of Student Ministries, that would reach out and equip students from across Europe. The Koeshalls have also been privileged to train university ministry leaders in Asia and parts of Africa. Since 2002, Anita has taught new missionary colleagues in AGWM's Missionary Training and on the field in Europe and Central Asia, equipping them to exegete culture and develop ministry strategies. Presently, Anita is the Commissioner for the University Ministries Network, an AGWM commission with the mandate to resource and empower student ministry in other regions of the world.

The Koeshalls have four children: John and Kristen are AGWM university pastors in Berlin, Germany; Sarah and Daryl Jump in Central Asia. Stephanie has an MA in Inter Cultural Studies, from Fuller Seminary and, with her husband, Johannes, are in graduate studies in Germany. Christian and his wife, Stephanie, live in Washington, D.C., where they both work for government contractors.

**The J. Philip Hogan Chair of World Missions** at AGTS is an endowed professorship which honors the missionary leadership of this distinguished former Executive Director of Assemblies of God World Missions. As a partnership between AGTS and AGWM, it calls on today's missionaries and scholars to continue in the heritage of thoughtful, incisive, and Spirit-led missiology that Brother Hogan's ministry left us. A leading missiologist will be invited annually to fill the chair in order to explore new dimensions in missiology through teaching, research, and writing. Special thanks are due to AGWM, the Hyllberg Memorial Fund, Philip and Virginia Hogan and others who have contributed to the endowment of the Chair.

**The pulpit** in use today is from the Swedish Free Mission in Moorhead, Minnesota. This congregation sent the first Pentecostal missionaries from North America, Mary Johnson and Ida Anderson. They arrived in Durban, South Africa in January, 1905, one-and-one-half years before the Azusa Street awakening. This pulpit's permanent home is the Khoo Kay Peng World Prayer Center on the upper level of AGTS.
