Why scholarships?

At AGTS, equipping students to fulfill God's call is our primary reason for being. The impact of scholarships on students' lives is immeasurable.

Consider the following testimonies:

"During my time at AGTS, I received the Joseph Flower Scholarship and the Ministerial Merit Scholarship. I was able to complete my degree in exactly two years because of the financial support I received. I finished my master's degree owing less than I dreamed possible and gaining more than I could have imagined."

—Chris Patrick, Master of Arts in Christian Ministries

"I have been a recipient of various scholarships throughout my time at AGTS. The support and encouragement provided by these scholarships and the people who give them has made all the difference for me. It's a great feeling to know that people genuinely care about you and want to see you fulfill

God's calling for your life. There is no way I could have made it through seminary without them."

—Alaine Buchanan, Master of Divinity

Many students who come to AGTS do so because of the financial assistance they receive in the form of scholarships. Likewise, many cannot come because scholarship resources are limited.

"I stepped out in faith to attend AGTS with the help of the Presidential Scholarship. This scholarship, along with others, allowed me to focus and excel in my studies. My wife also received AGTS scholarships, allowing us to graduate together earning the Master of Divinity this year. These scholarships reduced our debt and made it possible for us to quickly enter full-time ministry. We are grateful to those who invested in our lives through AGTS scholarships."

—Monty and Cara Galloway, Masters of Divinity

Will you consider making a special gift to the Leading Edge Scholarship Fund today? This scholarship allows diverse students—church planters, international leaders, women in ministry, inner-city ministers, missionaries and pastors—to receive the financial support they need.
